Profile

I am a natively bilingual future academic seeking to complement my career with greater professional experience. I have worked in content creation, public relations, network management, scheduling, and generation of novel social media solutions. Intuitive networking skills. Experience in design, creation and implementation of new media and social-networking solutions. I have significant academic research experience, and am a published academic author.

Education

B.A. - Philosophy, University of Maryland, College Park, May, 2011

Experience

Policy Researcher, Senior Policy Analyst, RWA, Accokeek, MD. *Jan 2011 - Current.*

Write, edit, and revise oped articles and press releases with Robert Weiner for national publication; assist with coordination of local and national media events; research contemporary policy initiatives for historical comparisons; fact-check political news.

New Media Solutions Contractor Westover Inc., Rockville, MD. *Jan 2010 - Nov 2010*

Generated, deployed, and managed customer-specific social media and networking solutions for Westover clients, including SAMHSA and Lockheed Martin. Examples: networking solutions for victims of Hurricane Katrina, with SAMHSA affiliated mental health services; proposing novel network structures and marketing approaches. Facebook, WordPress, and Twitter to establish web presence.

Research Assistant The iSchool@UMD, College Park, MD. *Apr 2009 - Aug 2009*

Described the corporate hierarchy (ontology) of Enron for the purpose of modeling trust among Enron employees, from the Enron Email Corpus (approximately 5,000 employees). Intense focus on: creative applications of social network research (Enron Email Corpus, ISYS search system, mind-mapping software, various legal databases) and presentation of data for statistical analysis.

Store Manager Vertigo Books. College Park, MD *Jan 2008 - Feb 2009*

Maintained storefront, chose titles for specials and sales, and made book recommendations. Opened and closed store, made bank drops and drove sales through customer relations. Offered friendly and appreciative dialog to each customer. Procured special orders, processed ordering and receiving. Up to \$10,000 in sales per day.

Community Manager Indiefed. Washington, DC *Jul 2007 - Nov 2008*

Co-managed three production channels (Alternative/Modern Rock, Indie-Pop and Electronica) to establish Indiefed as a fresh brand and leader in new media. In 2008 and 2010, Indiefed won the prestigious "Best of iTunes" award. Production schedule ran at three publication dates a week, each with three shows. I selected tracks by to showcase, recorded introductions, short biographies and outros for each show. Mixed track levels. Published each show to indiefed.com and appropriate RSS feed. Kept website and blog content up to date. Worked with GarageBand, Audacity, and professional audio equipment (mixers, etc.).
